**Place:** - Tandulwadi Village, Saphale

**Platform:** - Offline

January 8th, 2024, Saphale.

The National Service Scheme (NSS) Council of Fr. Conceicao Rodrigues College of Engineering successfully organized the Sixth Day of our NSS camp. Day 6 of the NSS camp unfolded with an exhilarating trekking activity in the picturesque Tandulwadi village, situated in Saphale town. The day commenced at 8:00 AM, with 39 enthusiastic NSS volunteers, led by our dedicated program officers, Prof. Gajendra Singh and Prof. Gauri Jagushtee. Our experienced trek guides, Santosh Sogale and Amit Jahade, both locals with extensive trekking knowledge, joined us for the adventure.

Embarking on our journey from the stay location Naik Foundation, the trek took us to a high-altitude mountain fort in Tandulwadi village. The path was rugged, and the mountain terrain proved to be steep, adding an extra layer of thrill to our expedition. Despite the challenges, our volunteers embraced the adventure, relishing every moment of the trek. Divided into two bases, we reached the first base at 11:00 AM and the second base around 12:45 PM. The strenuous trek tested our endurance, but the breathtaking views and the sense of accomplishment made it all worthwhile. Completing the trek by 3:30 PM, we returned to our stay location, where the volunteers replenished their energy with a hearty lunch. Post-lunch, the tired but satisfied volunteers enjoyed some well-deserved rest. As evening set in, a sense of brotherhood prevailed among the volunteers. At 10:00 PM, everyone gathered for a movie night featuring "12th Fail," a biopic of IPS Manoj Sharma. The film served as a motivational treat, leaving a lasting impact on the NSS volunteers and inspiring them to strive for excellence in their respective endeavours.

With the movie night acting as a fitting conclusion to an eventful day, the NSS camp of Fr. Conceicao College of Engineering continued to foster a sense of community, adventure, and motivation among the volunteers. Day 6 will be remembered not only for the challenging trek but also for the bonding moments shared during the movie night, creating memories that will resonate with the participants long after the camp concludes.
