

WEBINAR: INTERNATIONAL DAY OF CLEAN AIR FOR BLUE SKIES

Date: - 7th September 2023

Time: - 6:00 PM to 7:00 PM

Place: - Webinar on Google Meet

Platform: - Online

September 7th, 2023, Mumbai.

The National Service Scheme (NSS) Council of Fr. CRCE College successfully organized a webinar on the occasion of the International Day of Clean Air for Blue Skies. The event aimed to raise awareness about the importance of clean air, explore sustainable solutions, and inspire action among our NSS volunteers. Mrs. Seema Ramdas, an esteemed speaker in the field, delivered an insightful presentation on the topic.

The webinar began with an overview of the importance of clean air for human health, the environment, and global well-being. Mrs Seema Ramdas delved into various sustainable solutions for improving air quality, such as reducing emissions, promoting renewable energy, and adopting green transportation. The speaker highlighted the role individuals and communities can play in mitigating air pollution, emphasizing the power of collective action through initiatives like tree-planting drives and awareness campaigns. The webinar witnessed significant participation from our NSS volunteers, with an overwhelming number of attendees keen to learn and contribute to the cause. The webinar included an engaging question and answer session, where participants could seek clarification and engage in a meaningful discussion. The Q&A session fostered active participation and enabled attendees to interact directly with the speaker, creating a dynamic and informative atmosphere. The event successfully raised awareness about the importance of clean air and motivated attendees to take concrete steps toward reducing air pollution.

The webinar on the International Day of Clean Air for Blue Skies, featuring Mrs. Seema Ramdas as the speaker, was a resounding success. It not only educated our NSS volunteers about the significance of clean air but also inspired them to become active agents of change. The webinar successfully achieved its goal of spreading awareness about reducing the production of hazardous waste. Attendees left the event with a keen understanding of the importance of clean air. The NSS Council at Fr. CRCE College remains committed to organizing such informative and impactful events in the future to promote a cleaner and healthier environment.
